

## Mental Health & Wellness Resources

We are deeply committed to supporting the well-being of our independent contractors. We recognize the emotional challenges that can arise in default services—especially when managing foreclosures, evictions, and other sensitive situations.

To support you, we've compiled a list of free and confidential resources designed to help you navigate emotional distress and trauma:

### ➤ **Mental Wellness Resources for Real Estate Professionals**

Provided by the National Association of Realtors

Tailored tools and guidance to support mental wellness in the real estate industry.

👉 [Visit Resource](#)

### ➤ **988 Suicide & Crisis Lifeline**

Available 24/7

Free and confidential support for anyone experiencing emotional distress or a mental health crisis.
